**EXPLANATIONS:**

**New requirements:** completely new requirements; numbers shown are the requirement numbers on the NEW 2016 requirements

**Requirements w/ Changes:** requirements that are similar to previous ones but that have new or changed elements; numbers shown are from the OLD requirements (numbers in parentheses are the corresponding numbers in the NEW 2016 requirements)

**Requirements w/ Minor Changes:** requirements are very similar to previous ones and will not require any repeating (in most cases they are just wording changes); numbers shown are from the OLD requirements (numbers in parentheses are the corresponding numbers in the NEW 2016 requirements).

Example: Old requirement #3 for First Class is now requirement #1a but is essentially the same requirement.
